Component 1 — Understanding Drama (40% of final mark)

- Students will complete a written exam based on the exploration of a set text and evaluation of a live theatre performance.

Component 2—Devising Drama (40% of the final mark)

- Students will create and develop a devised performance from a stimulus. Part of the assessment will be analysing and evaluating the process and final performance. This can be completed through a *written portfolio* or *recorded verbal evidence*.

Component 3—Texts in Practice (20% of the final mark)

- Students will interpret and explore two key extracts from a chosen performance text and perform to an external examiner.

Picture your timetable in Year 9.....

Do you just want it to be filled with 'academic' lessons where you will just sit at a desk and write?

Or would you rather have some variety? A chance to express yourself? An opportunity to get from behind a desk and actually 'do' something? Have homework that can mean going to the theatre and not just writing?
